BOOKS, LISTS, TABLES AND RETURNS OF ASSESSORS

GENERAL LAWS, CHAPTER 59, TER. ED. AS AMENDED

SECTION 43. The assessors shall make, on the books furnished under section forty-five, a list of the valuation and the assessment thereon, in the following manner: In each column provided in the book or books so furnished shall be entered the valuation of that portion, if any, of the personal property of each person and corporation, indicated by the heading thereof. The total amount of the taxable personal property shall be shown, but without other detail or specification than is provided for herein. Before the taxes are committed for collection they shall deposit the books, or an attested copy thereof, in their office or, if there is no office, with their chairman, for public inspection.

SECTION 44. The list shall exhibit the valuation and assessment of the polls and estates of the inhabitants assessed; and the valuation and assessment of the estates of non-resident owners, and shall contain the names of the non-resident owners of the property assessed, or such description of them as can be given, their places of abode, if known, the description of their estate, the true value of such estate, and the tax thereon.

SECTION 45. The commissioner shall provide each city and town, on or before April first annually, suitable books for the use of the assessors in the assessment of taxes, which shall contain blank columns, with uniform headings for a valuation list, and blank tables for aggregates, in the following form or in such other form as the commissioner shall from time to time determine; provided, that in lieu of the valuation list provided for in this section and the preceding two sections, the assessors of any city or town may, with the assent of the commissioner, prepare a valuation list upon books furnished by the city or town and in such form as the commissioner shall approve, and that, for the separate listing of poll taxes under section four of chapter sixty, such portion of the books furnished by the commissioner as he shall determine may contain only the first three columns of said form.

* * *

SECTION 46. The assessors shall enter in the books so furnished the valuation and assessment of the polls and estates of the persons assessed, as directed in the headings of the various columns and shall state the value of each building described, including therein water wheels but excluding land and water power and machinery used in the building.

SECTON 47. The assessors shall fill up the table of aggregates by an enumeration of the necessary items included in the lists of valuation and assessments, and shall annually, on or before October first, deposit in the office of the commissioner an attested copy of the same.

SECTION 48. Annually on or before January fifteenth, assessors shall report to the commissioner in the form prescribed for tables of aggregates by the two preceding sections the facts as to any and all assessments made between December tenth and twentieth preceding, both inclusive under section seventy-five.

SECTION 49. The assessors, except those of Boston, on or before October first, nineteen hundred and twenty-two, and in every third year thereafter, shall deposit in the office of the commissioner, in books to be by him provided for the purpose, a copy of the assessors' valuation books of those years, to be by them certified under oath. This shall not excuse, in such years, the filing of a separate copy of the table of aggregaes under section forty-seven.

SECTION 50. The books provided by the commissioner for the use of assessors shall contain a copy of this section, of the seven preceding sections and of sections eighty-four and ninety-four, and such certificates as are required by law to be signed by the assessors, with such explanatory notes as he considers necessary to secure uniformity of returns under the several headings.

SECTION 51. The assessors shall enter upon the valuation list, in the appropriate columns after the enumeration of the persons and estates liable to taxation therein contained, a statement and description of all the property and estate, with the fair cash value thereof, which is exempted from taxation in their respective towns pursuant to the provisions of the first fifteen clauses of section five, or for the reason that it is owned by a county, city, town or district and put to a public use, with the names of the persons or corporations owning the same and the purpose for which it is used, and with a reference to the law, if any, by which such exemption is allowed.

* * *

SECTION 84. If the assessors of a town ascertain that the aggregate valuation thereof has been diminished since April first of the preceding year, they shall return with the table of aggregates, or with the books, which they are required by sections forty-seven, forty-eight and forty-nine to deposit in the office of the commissioner, a statement, on oath, of the causes which in their opinion have produced such diminution.

* * *

SECTION 94. An assessor who neglects to comply with sections forty-six, forty-seven, forty-eight, forty-nine or eighty-four shall be punished by a fine of not more than two hundred dollars.

And you are to complete and make up an account of the collection of the whole sum of One hundred forty four thousand four hundred ninety three and 34/100 Dollars, it being the whole amount hereby committed to you and transmit and pay over the same in the manner provided by law, to Frank G. MacKenna Treasurer of said {town, / ~~city,~~} or to his successor in office, on or before the first day of November one thousand nine hundred and thirty-four.

And if any person shall refuse or neglect, upon demand by you made and for fourteen days after such demand, to pay to you the sum he is assessed in said list, herewith committed to you with this warrant, you are to levy and collect the said sum or tax, or so much thereof as shall not be abated agreeably to law, by distress or seizure and sale of the goods or chattels of the person so assessed sufficient to satisfy and pay the amount due for such tax and interest and all fees and charges of keeping and selling the same, saving and excepting the tools or implements necessary for the trade or occupation of the said person so assessed; beasts of the plough necessary for the cultivation of his improved land; military arms, uniforms and equipments; utensils for housekeeping necessary for upholding life; and bedding and apparel necessary for the said person so assessed and his family. And the goods and chattels so distrained by you, you are required to keep at the cost and charge of the owner for four days at least and within seven days after the seizure to sell the same at public auction, for the payment of the said amount due, having first posted up a notice of the sale, in some public place in the city or town, where found, forty-eight hours at least before the sale; provided, however, that you may, if you shall see fit, once adjourn said sale for a time not exceeding three days, in which case you shall forthwith post up a notice of such adjournment and of the time and place of sale. And if said distress shall be sold for more than the said amount due you shall return the surplus to the owner of such goods and chattels upon demand, with an account in writing of the sale and charges. And if you cannot find sufficient goods and chattels belonging to the person assessed whereon to make distress, you shall take the body of the said person and him commit to one of the common jails in the county in which you shall arrest him, there to remain until he shall pay said tax, interest, charges, and fees, as allowed by law; or until he shall be discharged therefrom by due course of law: provided, however, that you may at your discretion, after the service of this warrant, allow such person to go free for a period not exceeding fourteen days after said service, at which time if said person does not pay his tax with all fees and charges due thereon you shall then arrest said person on this warrant and commit him to jail as aforesaid. But if you shall commit such person for the non-payment of a poll tax only he shall not be detained in jail more than seven days. And in case you shall commit said person so assessed to jail by virtue of this warrant, you are required to give the keeper of the jail wherein he may be committed a certificate under your hand, setting forth that for want of goods and chattels of the said person whereof to make distress, you have taken his body and committed him to jail as aforesaid; and also setting forth the amount said person is to pay as his tax, interest, charges, fees and travelling expenses as provided by law. And you are to have and exercise all the powers conferred upon Collectors of Taxes by the laws of the Commonwealth for levying and collecting the sums assessed or otherwise.

Given under our hands this 30th day of August one thousand nine hundred and thirty-four.

In Column Four the amount entered should be the sum of the four items in Columns Two and Three (e, f, g and h).

In Column Six the amount entered should be the sum of the totals in Columns Four and Five.

In Column Seven (except for such slight variations as may be caused by fractions) the tax "On Personal Estate" will be the tax on the total of column Four; the tax "On Real Estate" will be the tax on the total of Column Five; and the tax "On Polls" will be the number in Column One (d) multiplied by 2 ($2.00).
